■ **LOW BIDDER FOR DEL. 1 JOB ANNOUNCED:** New Jersey-based R.E. Pierson was announced last week as the lowest bidder for the final phase of the Del. 1 project. Out of five received, Pierson offered a bid of \$21,554,278.

The federally funded project entails constructing a section of Del. 1 from Townsend to Sycamore Farms in New Castle County. The contract also includes the relocation of part of U.S. 13 from Noxontown Lake Road to Sycamore Farms and the removal of the temporary tie-in at Sycamore Farms. DelDOT expects this project to take 957 days to complete, starting shortly after the beginning of 2001.
